

Pakistan Institute of Engineering and Applied Sciences

International Student Office

Dear Prospective International Students,

Thank you very much for reaching out to PIEAS and welcome to one of the leading and top ranked university of Pakistan. Your interest in the academic-cum research programmes of PIEAS is highly appreciated. To answer any general or admission specific queries all prospective international applicants are requested to contact the International Student Office as first point of contact as follows:

Director Academics

Focal Person International Student Office

International.students@pieas.edu.pk

In addition, you are encouraged to visit PIEAS website at: www.pieas.edu.pk for further information on the academic and research programmes being offered at PIEAS.

Looking forward to welcome international students at PIEAS.

Yours truly,

Director Academics
Focal Person
International Student Office
